Figure 1 A schematic diagram of the proposed system architecture for a multi-modal, multi-agent system. The diagram is organized into three main vertical sections: **Input** (top), **Processing** (middle), and **Output** (bottom).

Input Section: Lists various data sources, including:

- pro-1: local information
- pro-2: global information
- pro-3: global information
- pro-4: global information
- pro-5: global information
- pro-6: global information
- pro-7: global information

Processing Section: Shows a flow from 'pro-1' to 'pro-100' through a series of processing blocks. The blocks are labeled with 'pro-1' through 'pro-100' and are connected by arrows indicating the flow of information.

Output Section: Shows the final results, including:

- pro-101: global information
